

REGISTRATION INSTRUCTIONS 2018-2019

YOUR REGISTRATION MATERIALS INCLUDE THE FOLLOWING:

- Myers Park High School Course Selection Card (**REQUIRED**)
- Online Registration Instructions
- Please visit the registration website for additional information
<http://mphsstudentservices.weebly.com/registration.html>

PLEASE FOLLOW THESE INSTRUCTIONS:

1. **Students will need to log in to their PowerSchool account to register online. The online registration window will open February 5 – February 11.**
2. **PRINT** your personal information at the top of the card in pen. **EMAIL ADDRESSES ARE VERY IMPORTANT!**
3. Place an “X” in the blank on the card next to each required course. (See attached grade level information for required course listing).
4. **Every attempt will be made to place students in desired electives. In the event that this does not happen, you will receive a course on your alternate list. CHOOSE ALTERNATES WISELY.** The entire Master Schedule and hiring of teachers is based upon what you sign up for NOW. When you receive your schedule in the mail in August, schedule changes will be limited.
5. Some courses have prerequisites. Be sure to check that you have completed the prerequisite(s) for those classes. The classes needing prerequisites are indicated on the registration card. Prerequisites can also be found in the 2018-2019 planning guide located on our website, under the **REGISTRATION** tab.
6. If you intend to have a “**Special Elective**” in your schedule next year, you must choose 8 classes. Once you are selected for that class (via audition/application/election), your teacher will contact your counselor, and one of your electives will be dropped.
7. Students who had English first semester should bring their course selection card to their counselor when they have their appointment. Students who have English second semester should turn their course selection card into their English teacher prior to the date their class meets with the counselors.
8. **If you had English 1st semester, please sign up for a registration appointment to meet with your counselor. The links are listed below.**
